### CAROL & FRANK DEBUTS COLLABORATION WITH WILLIAMSBURG, PET LINE, NEW COLORS

NEWPORT NEWS, Va.,—Fashion-forward bedding and lifestyle brand, carol & frank is adding to its spirited and stylish repertoire with a collaboration with WILLIAMSBURG brand, two new colorways, and a line of pet products that gives back to the community.

In its first collaboration with WILLIAMSBURG brand, carol & frank introduces the Cassie bedding collection inspired by 1800's wallpaper with a timeless style and boho edge. An authentic hand blocked indigo-on-white tulip pattern graces the cotton voile ground of this quilt and a reversible hand blocked apple pattern coordinates perfectly with the Georgie pillow, another collaborative piece.

Keep it classy with the Lottie Collection. Designed in collaboration with WILLIAMSBURG, these pillows lend a timeless style to your favorite space. An all-over tulip pattern gives this jacquard woven pillow a touch of refinement while keeping it casual with contrasting tassels. Available in three colors: Indigo, Coal, and Dune, there's a pillow to match your every whim and mood.

The brand's fall 2018 collection is all about embracing unconventional pairings and contrasting colors. The Dot Pillow, a carol & frank favorite, makes its debut in Tomato and the beloved Dash Pillow creates a striking Coal-on-white contrast atop a cotton slub ground. Both are designed to mix and match alongside new and existing collections.

carol & frank's chic & charitable initiative continues to grow with adoptable pets featured in the fall 2018 style book along with a pet line comprised of pet quilts featuring the dot pattern and pet scarves available in a set of five different patterns. Not only are they adorable, a portion of the sales from the pet scarves will be donated to the Peninsula SPCA, the local no-kill animal shelter in the brand's home town of Newport News, Va. The company plans to expand this initiative for future collections.
